Accordingly, for the convenience of the Union and as partial compensation for such additional responsibilities, such officers shall be permitted private use of such automobiles on a round-the-clock, continuous basis, including private use when the automobiles are not required on Union business. Upon authorization of the Local Union Executive Board, the principal executive officer is empowered to sell, exchange or lease automobiles or arrange financing therefore in behalf of the Local Union.

(D) Benefits. The President, Secretary Treasurer, Business Representatives shall be full-time paid officials and shall continue to receive the salary, benefits, expenses in effect at the time of the adoption of these bylaws. The Local Union Executive Board is authorized to make to any Local Union officer or employee advances on their salary and or vacation pay. Any such benefit adopted by the Executive Board shall be specifically set forth in the minutes of the Executive Board meetings.

Whenever rank and file members of this Local Union are engaged in activities on behalf of this Local Union, they shall be paid their expenses, including wages, from the general funds, but no compensation shall be paid for attending membership meetings.

The Local Union Executive Board shall be empowered to modify this vacation schedule, by mutual agreement of the party affected, in order to provide better service to the membership.

Consecutive years of service as a full-time paid official of Local Union 773 plus all accrued and maintained seniority at a previous employer, covered by a contract with Local 773 at the time of being elected or appointed to serve as a full-time paid official of Local Union 773, shall determine vacation eligibility.

Section 17
NOMINATIONS AND ELECTIONS OF OFFICERS: RULES

(A) **Time of Nominations and Elections.** Meetings as hereinafter established for nominations of officers shall be held in October subject to the provisions of the International Constitution. Election shall be held no less than thirty days after nominations have been closed. The Local Union Executive Board shall set the time and place of nominations and elections and such time and place and other relevant arrangements shall be convenient to the greatest possible attendance by all the members.

This Local Union shall elect its officers by secret ballot not less often than once every three years.

(B) **Notice of Rules, Nominations, Meeting and Election.** At least twenty (20) days prior to the date of the nomination meeting, specific notice of the date, time and place of the nomination meeting and the offices to be filled shall be mailed or shall be published in any Local Union publication mailed to the membership (except that notice of nominations and election may be combined); each member shall be advised in such notice that the election rules are set forth in the Bylaws and International Constitution which are available upon request.

(C) **Eligibility of Members.**

(1) Every member whose dues are paid up through the month which is prior to the month in which the nominations or election is held shall have the right to nominate, vote for, or otherwise support the candidate of their choice. No member whose dues have been withheld by their employer for payment to the Local Union pursuant to their voluntary authorization provided for in a collective bargaining agreement shall be declared ineligible to nominate, or vote for, a candidate for office in the Local Union, by reason of a delay or default in the payment of dues by the employer to the Local Union.

(2) To be eligible for election to any office in this Local Union, a member must be in continuous good standing in this Local Union and actively employed at the craft within the jurisdiction of this Local Union for a period of twenty-four (24) consecutive months prior to nomination for said office and must be eligible to hold the office if elected. "Continuous good standing" means compliance with the provisions of Article X, Section 5 of the International Constitution requiring payment of dues on or before the last business day of the current month, together with no interruptions in active membership in this Local Union because of suspensions, expulsions, withdrawals, transfers or failure to pay fines or assessments. Provided, however, that if a member on withdrawal deposits their card in the month immediately following the month for which it was effective, and pays their dues for both months in a timely manner as provided in Article X, Section 5(c), such period of withdrawal shall not be considered a break in continuous good standing in the Local Union. Payment of dues after their due date shall not restore good standing status for such month or months in computing the continuous twenty-four (24) months good standing status required by this Section as a condition of eligibility for office. No member shall lose their good standing status for any month in which their dues have been withheld by their employer for payment to the Local Union pursuant to their voluntary authorization provided for in a collective bargaining agreement by reason of delay or default in the payment of such dues by the employer to the Local Union.

Failure of a Local Union to issue a withdrawal card shall not be conclusive proof that a nominee was actively employed at the craft within the jurisdiction of the Local Union during the required twenty-four (24) month period prior to their nomination if a challenge is made based on evidence to the contrary, in which event a determination shall be made on the facts presented. Periods of unemployment during the twenty-four (24) month period preceding the nomination shall not be considered a break in active employment at the craft within the jurisdiction of the Local Union if the nominee was actively seeking and available for employment in the craft and not working outside the craft during such periods of unemployment.

(3) In addition to those conditions of eligibility listed in subsection (2) above, a member must have attended at least fifty percent (50%) of the regular or divisional meetings of this Local Union during the twenty-four (24) consecutive months prior to nomination in order to be eligible to run for office. The Local Union shall keep accurate records reflecting those members who are in attendance at each meeting and shall exempt from attendance requirement any member who, because of illness, regular employment, or other good cause is unable to attend a meeting. This exemption system shall be uniformly and fairly applied.

(D) Nomination Procedures.

(1) Nominations shall be held in accordance with provisions of Section 17(a) at a general or special membership meeting or meetings or at a meeting or meetings of each separate division, craft or place of employment authorized by the Local Union Executive Board to hold separate meetings. If nominations are held at separate division, craft, or place of employment meetings, the members may nominate candidates from their own or any other division, craft or place of employment for election to Union office. Nominations and the conduct of the election and related questions shall be the first order of business at the nomination meeting and complete minutes shall be kept of that business. Nothing in this provision shall prohibit the holding of special meetings, at which meetings nominations and conduct of the election shall be the sole order of business.

(2) Nominations shall be made at the meeting by a member in good standing other than the nominee by motion seconded by a member in good standing other than the nominee. Nominations may also be submitted by mail petition specifying the name and signature of the nominator and seconder, the position sought, and the signature of the nominee. Candidates are advised to verify the good standing status of their nominator and seconder prior to the nomination meeting.

(3) Every member eligible to nominate candidates shall be entitled to nominate one (1) candidate, but only one (1), for each office open. Prospective candidates may not nominate themselves nor second their own nomination.

(4) Nominations shall not be closed until a call for further nominations has been made three (3) times by the Chair without further nomination being made.

(5) If an election committee is used, after nominations, each candidate for the office of President, Secretary Treasurer and Recording Secretary may designate one (1) member for service thereon who shall thereupon be appointed by the President.

(6) In the event only one (1) candidate is nominated for any office, no election shall be conducted for such office unless required by law, and such unopposed candidate shall be declared elected by acclamation at the nominations meeting, effective as of the conclusion of the term of the previous incumbent.

(7) A member otherwise eligible to run for office shall become a bona fide candidate only upon their nomination for office and acceptance of the nomination. To be eligible to nominate and otherwise participate in the nomination meeting, a member must have their dues paid through the month prior to the month in which the nomination meeting is held. Candidates must accept nominations at the time made either in person or, if absent, in writing, and may accept nomination for only one office. A member may also run for and be elected as a Business Agent or Assistant Business Agent, as provided in Article XXII, Section 8, of the International Constitution, and may hold both the office and the position if elected to both. After a candidate has accepted the nomination, they may not, under any circumstances, revoke their acceptance after the ballots are printed, except where as a result of the revocation the remaining candidate is unopposed.

(8) If any nominee should die before the election, their name shall nevertheless appear on the ballot. In the event such name shall receive the requisite number of votes to be elected, the position shall then be filled in the same manner as vacancies are filled when they occur during a term of office as provided in Section 14 (A)(6).

(9) If there is only one (1) nominee for an office and they are finally ruled ineligible after the nomination meeting, then the office shall be filled by appointment by the newly elected Local Union Executive Board.

(E) Elections.

(1) After the nominations meeting, but not less than twenty (20) days prior to the election, specific notice of the date, time and place of the election and of the offices to be filled shall be mailed to each member at their last known home address, if no notice has previously been sent. The election shall be held at such place or places and at such time, not earlier than thirty (30) days after the nomination meeting, as may be designated by the Local Union Executive Board.

The election shall be conducted by mail referendum balloting in accordance with the procedures promulgated by the International Union and the United States Department of Labor. Ballots shall be mailed to all active members and shall be returnable to a secure post office box no earlier than thirty (30) days after the nomination meeting. The Executive Board shall retain a neutral agency to supervise the distribution, collection and tabulation of the ballots. Candidates shall have the right to have their observers, who shall be members in good standing of this Local Union, present at all phases of the ballot processing procedure.

(2) Voting shall be conducted by secret ballot among the members in good standing. There shall be no proxy voting. Each such members shall be entitled to one vote. The Local Union Executive Board shall have the authority to establish all rules and regulations for the conduct of the election to supplement the provisions of the International Constitution and the Local Union Bylaws.

(3) Each candidate, at their own expense, shall have the right to have an observer other than themselves at each polling place and at the counting of the ballots who must be a member of the Local Union in good standing. Observers may challenge the eligibility of voters, and all challenged ballots shall be sealed in a blank envelope with the name of the voter thereon. If votes are challenged, such challenge shall be made in writing at the time of the election with specific reasons given for such challenge. Challenges shall be investigated to determine their validity, if the challenged ballots are sufficient in number to affect the result of the election. The blank envelope containing the ballot shall not be opened until such time as all challenges have been ruled upon. Candidates shall have the right to be present at the counting of the ballots.

(4) To be eligible to vote in the election, a member must have their dues paid through the month prior to the month in which the election is held. The candidate for each office who receives a plurality of the votes cast for the office shall be elected thereto except in the case of trustees in which case the three (3) candidates receiving the highest number of votes shall be elected. The determination of successful candidates for the office of Business Agent, for the number of Business Agents previously determined by the Executive Board, shall be in the same manner as the Trustees. In the event of a tie vote, the candidates shall resolve such tie by lot. The officers-elect may be installed at the same meeting at which they are elected or, if not elected at a meeting, at the next meeting following their election. The officers-elect shall take office at the end of the term of the incumbent officers, regardless of the date of installation, which installation may take place at either the same meeting at which they are elected or, if not elected at a meeting, at the next meeting following their election. No runoff election shall be held.

(5) No officer may run for another office in this Local Union, the term of which covers part of their current term, unless they resign from their current office, effective upon the certification of the results of the election. The officer shall announce their intention to resign not later than fifteen (15) days prior to the nomination meeting and will not be eligible for appointment to the vacancy created by their resignation. No officer may hold another office in any other Local Union (other than a trustee Local Union) during their term of office, except by authorization of the General President and the Local Union involved.

(6) There shall be no write-in candidates and any ballot containing a write-in candidate shall be void insofar as the vote for that office is concerned and such ballot for that office shall not be considered as having been cast in determining the vote for that office.

(7) During the period between the date of election and the end of the term of office no extraordinary expenditures of Local Union funds shall be made without the approval of the officers-elect and the membership.

(F) Duties of Secretary Treasurer in Connection with Nominations and Election.

(1) The Secretary Treasurer shall at least twenty (20) days prior to the holding of the nominations give notice, as above provided, to the membership of the time, place and date and the offices for which nominations will be in order in connection with the election. Such notice shall be given in the manner determined by the Local Union Executive Board, consistent with these roles.

(2) Prior to the nomination meeting, the Secretary Treasurer shall review the eligibility to hold office of any member at such member's request and shall make a report on the eligibility of that member within five (5) days thereafter to any interested member. After the nomination meeting, the Secretary Treasurer shall review the eligibility of all candidates, their nominators and seconders and certify their eligibility to run for office. The Secretary Treasurer shall, within five (5) days, notify all nominees of their eligibility status and shall specifically notify any disqualified nominee of the reason for said disqualification.

(3) Unless a joint nomination-election notice was sent, the Secretary Treasurer shall give written notice to the membership of the Local, at least 20 days prior to the election date, of the date the mail ballots must be postmarked to be valid and the number of offices upon which voting shall be held by mailing such notices, along with simplified instructions for their completion and return, to the members last known home address. The Local Union shall request "Address Correction Requested" in an effort to ensure the full participation of the membership in the election process.

(4) Upon reasonable request of any declared and eligible candidate for office, the Secretary Treasurer shall arrange for the distribution of any campaign literature by mail, or otherwise, provided that such candidate pays the reasonably estimated cost involved in advance. The Secretary Treasurer shall not delay the distribution of any candidate's mailing. Any reduced rate mailing permit available to any candidate shall be made available to all candidates on an equal basis. The Secretary Treasurer shall not delay the distribution of any candidate's mailing.

The Secretary Treasurer may require that all campaign literature shall be presented to them at the principal office of the Local Union no later than a reasonable number of days prior to the election and all candidates shall be given reasonable notice of that cutoff date. The Secretary Treasurer may, where in their judgment it appears necessary, provide for a consolidation of such distribution in which case the cost of such distribution shall be assessed upon the candidates involved on a pro-rata basis.

(5) The Secretary Treasurer to the extent required by law shall upon reasonable notice make available for inspection by any bona-fide candidate the membership list of the Local Union covered by union security agreements once within thirty (30) days prior to the election date. No candidate shall be permitted by the Secretary Treasurer to copy any names or addresses of employees shown on such list and such inspection must be made in the presence of the Secretary Treasurer or his designee.

(6) The Secretary Treasurer shall retain copies of all requests for distribution for campaign literature and copies thereof, shall make a record of the date the literature was distributed, the cost thereof and the amount received therefore, and shall also retain a copy of the notices of nominations and of the election, a copy of the ballot, ballot return envelopes, the official tally sheet submitted by the tellers, all ballots and such other records including election rules as shall relate to the conduct of the election. All copies and records shall be retained for one year.

(G) Nomination and Election Protests.

(1) Any member who desires to challenge a ruling on eligibility to run for office shall appeal, in writing, within forty-eight (48) hours after receipt of the ruling to the General President or their designee, who shall decide such an appeal within seven (7) days after receipt of the protest. The decision of the General President shall be appealable to the General Executive Board pursuant to the provisions of Article VI, Section 2 of the International Constitution. In the event there shall be any protest or charges made concerning an election by any member prior to holding the election, such charge or protest shall be made in writing by registered or certified mail by such member within forty-eight (48) hours of their knowledge of the event complained of and shall specify the exact nature and specifications of the protest. Such protest or charges shall be made to the Local Union Secretary Treasurer who shall refer the protest or charges to the Local Union Executive Board for disposition. The decision of the Local Union Executive Board shall be appealable pursuant to the provisions of Article VI, Section 2 of the International Constitution.

(2) In the event there shall be any protest or charge by any member concerning the conduct of the election after the election has been held, such protest or charge shall be made in writing by registered or certified mail by such member within seventy-two (72) hours setting forth the exact nature and specifications of the protest and their claim as to how it has affected the outcome of the election. Such protest or charge shall be made to the Secretary Treasurer of the Joint Council with which the Local Union is affiliated and protest or charge shall be referred to the Joint Council Executive Board for disposition. The Joint Council Executive Board shall meet to consider the protest and shall conduct a hearing as prescribed by Article XIX of the International Constitution. The decision of the Joint Council Executive Board shall be appealable to the General Executive Board for final decision, which is not appealable to the Convention, in accordance with the provisions of Article XIX of the International Constitution to the extent that such provisions may be applied to an election protest or charge.

Section 18
DUES AND INITIATION FEES

(A) The regular monthly dues of this organization shall be those established under the International Constitution and Bylaws until a goal of two times (2X) the hourly rate is attained. In no event, shall monthly dues be less than the minimum established in the International Constitution.

(B) Initiation fees for membership in this organization shall be two-hundred dollars (\$200), provided, however, that such initiation fee may be waived or reduced in connection with the organization of unorganized employees at the discretion of the Local Union Executive Board.

One hundred dollars (\$100) of this fee will be rebated to any member who attends an orientation program of four (4) hours or less (to be established by the Local Union Executive Board) and their initiation ceremony at the regular monthly union meeting.

(C) Reinitiation fees shall be seventy-five dollars (\$75).

(D) Any member who shall be three months in arrears in the payment of dues, fines, assessments or other charges shall automatically stand suspended at the end of the third month and shall not be entitled to any rights or privileges of membership. Any member who has been automatically suspended for failure to pay dues shall be under a continuing obligation to pay dues during the period of their suspension. Upon payment of the delinquent dues and reinitiation fee, the member shall be restored to good standing status. The Local Union Executive Board shall have the power to waive, on a non-discriminatory basis, the payment of delinquent dues and/or reinitiation fees for good cause shown.

(E) General or Special assessments and levies may be made from time to time in the manner provided hereinafter.

(F) Any increase in the rate of dues or initiation fees or the levying of any general or special assessment by the Local Union shall be made at a general or special membership meeting in accordance with the following procedures:

(1) Reasonable notice shall be given of the meeting at which the membership will consider the question of whether or not such dues, initiation or reinstatement fees, general or special assessment shall be increased or levied. The notice shall indicate that a proposed increase or assessment is to be voted on.

(2) At the meeting called as provided in this Section, voting shall be by secret ballot of the members in good standing.

(3) A majority vote by secret ballot of the members in good standing voting at such meeting shall decide the issue.

(4) This provision supersedes Section 29 (Amendments) with respect to changing the dues and fees set forth in these Bylaws.

(5) Nothing contained in Section 18(F) of these Bylaws shall preclude the Local Union Executive Board in the exercise of its discretion, from directing that a membership vote on issues involving dues, fees, or assessments be conducted by mail ballot referendum after appropriate notice and with safeguards for preserving the secrecy of the balloting.

(6) Nothing contained in Section 18(F) of these Bylaws shall be construed to apply to action by the International Union or to limit the right of the International Union to raise the dues of the membership, and the International Union shall not be subject to these provisions. The International Union shall in no way be subject to the provisions of Section 18(F) of these Bylaws.

Section 19 MEETINGS

Membership meetings shall be general or special.

(A) General Membership Meetings.

(1) General membership meetings shall be held monthly at such place and time as shall be designated by the Local Union Executive Board subject to disapproval by the membership. The time and place of meeting in effect when these Bylaws are adopted shall continue until changed by the Local Union Executive Board upon reasonable and adequate notice to the membership. Membership meetings may be suspended during any three months between June and October by action of the membership at a meeting after reasonable notice of the intention to vote upon such question.

(2) Members in attendance at membership meetings shall have the right to express their views, arguments or opinions upon any business properly before the meeting subject to these Bylaws and the rules and regulations adopted by the Local Union Executive Board pertaining to the conduct of meetings, but no member in exercising such rights shall evade or avoid their responsibility to the organization as an institution or engage in or instigate any conduct which would interfere with the Local Union's performance of its legal or contractual obligations.

(3) The Local Union Executive Board is authorized to permit membership meetings to be held on a division, craft, place of employment or other similar basis as it shall consider appropriate considering the special needs of the organization so as to permit the membership to attend meetings and to express their views and otherwise exercise their right as members. There shall be no limitation on the right of any member to be heard at any such separate meeting provided herein on all matters which apply to the general membership, but such member shall be permitted to vote only at such separate division, craft or place of employment meeting to which they have been assigned.

(4) When the Local Union Executive Board authorizes such meeting by division, craft or place of employment, each such meeting shall be conducted by the officers of the Local Union or by their designees and under the same procedures and rules as a general membership meeting, excepting only special meetings for limited purposes such as voting on contracts or strikes, handling or grievances, etc.

Such special meetings shall not be considered a substitute for the regular monthly meetings for purposes of satisfying the meeting attendance requirement of Section 17(C)(3).

(5) On all matters which apply to the general membership, the votes of the meeting of each particular division, craft or place of employment shall be totaled to determine the action of the Local Union in such matter.

(6) Members at each separate division, craft or place of employment authorized to hold separate meetings may nominate candidates from their or any other division, craft or place of employment for election to Union office; may vote separately on initiation fee, dues and assessments which apply to them alone, if higher than the minimum applicable to the general membership; and may, when authorized by the Local Union Executive Board, vote separately on approval or disapproval of, or on matters arising under, contracts applicable only to them, and strikes or other activities in which only they will participate.

(B) **Special Meetings** - Twenty percent (20%) of the members in good standing of the Local Union may submit a written petition for a special meeting to the President of the Local Union, setting forth the reasons therefore, and the President shall call the special meeting within a reasonable time. If the Local comprises employees of more than one employer, then no more than half of such twenty percent (20%) shall be from the same employer. If the President does not call such meeting, the Local Union Executive Board shall call such meeting within fifteen (15) days of the original petition. The President may, on their own motion, call a special meeting. Reasonable notice of the date, time and place of any special meeting and of the questions to be presented, shall be given to the membership.

(C) **Quorum** - The quorum of a general or special membership meeting shall be fifty (50). The Local Union Executive Board shall establish the number constituting the quorum for division, craft or place of employment meetings.

(D) **Referendum** - When a referendum is authorized by the Local Union Executive Board, reasonable notice shall be given by the Secretary Treasurer of the time, date, place and question upon which the referendum is to be held. In a referendum, only members affected shall be permitted to vote concerning matters not affecting the entire membership. The Local Union Executive Board shall, at least ten (10) days in advance of the referendum, adopt rules and regulations for the conduct of the referendum.

(E) Subject to the provisions of Article VI, Section 1(h) of the International Constitution, every member eligible to vote in an election under Section 17(C)(1) shall be eligible to vote on any question before the membership meeting or in a referendum.

(F) If it should appear to the presiding Chairman that any member is so conducting themselves to constitute a threat to the orderly conduct of the business of the meeting, they may order them ejected, subject to appeal to the membership.

At any time when in the judgment of the presiding Chairman of the meeting it appears that the meeting has become so disorderly as to prevent proper deliberation on the matters which might properly come before the meeting, the presiding Chairman shall have the right to adjourn such meeting forthwith, upon their own motion, and without second, and even though there may be other motions upon the floor. There shall be no appeal from such action since it taken as a result of conditions which would prevent orderly consideration of the appeal by the meeting.

If such action is taken by the presiding Chairman, the time and place for a subsequent meeting, if there is to be one, shall be determined by the Local Union Executive Board. If no such determination is made, then the next meeting shall be the next regularly scheduled meeting.

The Local Union Executive Board may at any time prior to or at a meeting disqualify from attendance at such meeting those members as to whom it has reasonable cause to believe that their presence at such meeting will cause disturbance or disorder.

The Presiding Chairman can detail members or other persons to remove persons who have been ordered removed, or to prevent attendance of members as above set forth, without calling upon the police.

The rights of members to attend meetings, to remain in such meetings or to participate in matters which come before such meetings are subject to the above powers and duties of the presiding Chairman and of the Local Union Executive Board.

Section 20 MEMBERSHIP

(A) An applicant shall be considered a member when they meet all the following requirements for membership:

(1) They shall have executed a written application for membership on a form provided by the Secretary Treasurer.

(2) They shall have tendered the initiation fees and one month's dues by cash or on written authorization of checkoff.

(3) The Local Union shall have accepted their application and dues.

(4) They shall have taken the oath of obligation as a member at a regular meeting following the action upon their application, unless dispensed with by the Local Union by policy or practice. In the event the applicant shall fail to take the obligation within a reasonable time following the acceptance of their application, they shall forfeit the monies tendered except for good cause shown.

(5) The first money received from an applicant for membership must be applied to the payment of dues for the month in which the applicant is first obligated to pay dues. If this Local Union permits an applicant to pay an initiation fee on a deferred basis, the installment payments must be allocated to first satisfy the member's dues obligation. Membership for new members shall date from the first month for which dues are paid once full payment of the initiation fee is completed. All new members presenting themselves for initiation shall receive a free copy of the International Constitution and Local Union Bylaws from the Local Union. However, any alleged failure to receive such copy shall not excuse a member from violation of any duty or obligation imposed upon them by their oath of office, initiation or membership.

(B) Good Standing.

(1) A member shall lose their good standing membership in the organization by suspension or expulsion from membership after appropriate proceedings consistent with the Bylaws or the Constitution, or by nonpayment of dues on or before the last business day of the current month. Members whose dues have been withheld by their employer pursuant to a voluntary checkout agreement shall not be declared in bad standing merely because the employer fails to remit checkoff dues to the Local Union on or before the last day of the month. Payment of dues to an officer or steward authorized by this Local Union to collect such dues shall be deemed payment to the Local Union.

(2) A member in a suspended status because of their failure to pay their dues or other obligations as required by the International Constitution and these Bylaws, and not suspended or expelled from membership pursuant to disciplinary action, may reinstate their good standing for the purpose of attending local union meetings and voting at elections by the payment of all delinquent dues and other financial obligations prior to such meeting and election.

(C) Issuance of Transfer and Withdrawal Cards.

(1) The issuance of transfer cards must be handled in strict compliance with Article XVIII, Sections 1 and 2 of the International Constitution. The acceptance of transfer cards must be in accordance with the provisions of Article XVIII, Sections 2, 3 and 4. The jurisdiction to issue honorable withdrawal cards must be handled in strict compliance with Article XVIII, Sections 6 and 7 of the International Constitution.

(2) Article XVIII, Section 6(c) of the International Constitution provide that in any case where a Local Union is required to give to a member an honorable withdrawal card under the terms of the International Constitution and these Bylaws, it may provide for the continuance of Local Union benefits to such member or former member under conditions which it may set forth, but such member or former member shall not be permitted to hold office or vote, and shall have only such right to participate in the meetings and affairs of the Local Union as shall be permitted by the Local Union Executive Board. All retired members shall receive an honorable paid up membership card from the Local Union for the purpose of attending meetings and all social affairs. All retired members can enter upon discussions at meetings but have no right to vote.

(3) Any incumbent officer of a Local Union who retires from their office shall cease to hold any other office or position they occupy by virtue thereof as of the effective date of their retirement. Any incumbent part-time Local Union officer who retires under any pension plan, the benefits of which they are entitled to by reason of their current employment at the craft (other than as a Union officer), shall cease to hold any office as of the effective date of their retirement.

(D) Upon the approval of these Bylaws by the General President, supervisory employees and such other classifications as the Local Union Executive Board may lawfully determine, shall take no part on committees selected to negotiate wages and working conditions with employers, and shall not be permitted to vote on any such agreement or on any vote to strike or take other action with respect to the agreement to which they may be subject or parties. Supervisory employees shall not be permitted to hold office. Nothing in this section, however, shall be construed to apply to Leadpersons.

(E) Responsibility of Members to the Local Union.

(1) Every member by virtue of their membership in this Local Union is obligated to abide by these Bylaws and the International Constitution with respect to their rights, duties, privileges and immunities conferred by them. Each member shall faithfully carry out such duties and obligations and shall not interfere with the rights of fellow members.

(2) Every member, by virtue of their membership in the Local Union, authorizes their Local Union to act as their exclusive bargaining representative with full and exclusive power to execute agreements with their employer governing terms and conditions of employment and to act for them and have final authority in presenting, processing and adjusting any grievance, difficulty or dispute arising under any collective bargaining agreement or out of their employment with such employer in such manner as the Local Union or its officers deem to be in the best interests of the Local Union, all subject to Article XII and other applicable provisions of the International Constitution relating to such matters. The Local Union and its officers, business representatives and agents may decline to process any grievance, complaint, difficulty or dispute if in their reasonable judgment such grievance, complaint or dispute lacks merit. The provisions of Article XII, Section 2, relating to area, multi-area, national company-wide or industry-wide contracts, shall supersede any provision of this Section.

(3) No member shall interfere with the elected officers or business agents of this organization in the performance of their duties, and each member shall, when requested, render such assistance and support in the performance of such duties as may be required by them, provided that this does not interfere with the individual rights of members. Each member and officer shall adhere to the terms and conditions of pertinent collective bargaining agreements and shall refrain from any conduct that would interfere with the performance by this local Union of its legal or contractual obligations.

(4) No member shall engage in dual unionism or espouse dual unionism or disaffiliation, nor shall any member slander or libel the Local Union, its members or its officers, or be party to any activity to secure the disestablishment of the Local Union as the collective bargaining agent for any employee.

(5) No member shall be permitted at any Union meeting or assembly to engage in any of the conduct hereinbefore described.

(6) Every member shall follow the rules of order at all meetings of the Local Union.

(7) Membership in this Local Union shall not vest any member thereof with the right, title or interest in or to the funds, property or other assets belonging to the Local Union now or hereafter and no member shall have a property right to membership in this organization.

(8) No member seeking to resign from membership in any Local Union may do so except by submitting such resignation in writing to the Secretary Treasurer of the Local Union. Any member who resigns before they have paid all dues, assessments, fines and other financial obligations owing to any subordinate body shall be obligated to pay such obligations to their former Local Union. All members acknowledge that any obligations owing at the time of resignation shall be collectible by the Local Union in any appropriate forum. This shall not relieve any member of any obligation to comply with any other provision of this Constitution regarding acquisition or maintenance of membership in good standing.

(9) It is the responsibility of all members to keep any up to date home address on file at your Local Union Office. The Union shall not be responsible for failure to send any notice to any member who fails to comply with this requirement.

(F) Rights of Members. No provision of these Bylaws, rule of parliamentary procedure or action by the Local Union or its officers shall be administered in such a way as to deprive individual members of their rights under applicable law and the following membership rights:

(1) the right to nominate candidates or vote in elections or referendums of the Union;

(2) the right to attend membership meetings, and to participate in the deliberations and voting upon the business of such meetings.

(3) the right to meet and assemble freely with other members and to express any views, arguments, or opinions, and to express at meetings views upon candidates in an election of the union or upon any business properly before the meeting, subject to the organization's established and reasonable rules;

(4) the right to information concerning the conduct of Local Union business;

(5) the right to institute an action in any court or in a proceeding before any administrative agency, irrespective of whether the Local Union or its officers are defendants in the action, or to appear as a witness in a judicial, administrative or legislative proceeding, or to petition any legislator, subject to Constitution and applicable law;

(6) For the purpose of Section 20(F) only, the term "meeting" includes any public meeting to which members of the Local Union are invited;

(7) All the rights of members set forth in Section 20(F) shall be subject to reasonable application and subject to the right of the Local Union to impose reasonable limitations upon the exercise of these rights by the members.

Section 21

CHARGES AND TRIALS

(A) Each member of this Union shall have the right to fair treatment in the application of union rules and law in accordance with the International Constitution and these Bylaws. In applying the rules and procedures relating to union discipline, the essential requirements of due process of law (notice, hearing, and judgment based upon the evidence) shall be observed, without, however, requiring the technical formality followed in courts of law. Recognizing that these requirements of fairness and due process of law will be administered by groups of laboring men and women, this Local Union adopts the following procedures which supplement the requirements of Article XIX of the International Constitution. The following procedural guides are designed to attain justice both to the individual member and the organization, and in instances where deviations from such procedures are not such as to substantially affect the member's substantive right, these procedures are not to constitute technically precise requirements of strict pleadings of courts of law.

(B) Trials and Appeals.

(1) **Trial.** Every member charged with a violation of these Bylaws of the International Constitution shall be accorded a full and fair hearing as required by law. No member of the Local Union Executive Board having a personal interest in the subject matter of the charge, which personal interest is adverse to that of the charging party or the accused, shall sit on the trial board. The decision on disqualification under this provision, if raised by an interested party, shall be made in the first instance by majority vote of the Local Union Executive Board, whose decision shall be appealable as part of this case, in accordance with the appeal procedure of the International Constitution and these Bylaws. The officer alleged to be disqualified shall not vote on whether they are qualified to remain on the hearing panel. If the member charged or preferring the charges is a member of the Local Executive Board, or if a member of the Local Executive Board is unable to attend the hearing for any reason, then the principal executive officer of the Local Union shall appoint a disinterested member as a substitute. If either the President or Secretary Treasurer of the Local Union is charged or is preferring the charges, or is unable to attend the hearing for any reason, the other officer shall appoint the substitute. If both the President and Secretary Treasurer of the Local are charged or are preferring the charges, or for any reason are unable to attend the hearing, the remaining members of the Local Union Executive Board shall appoint the substitutes. Charges by, against or involving a majority of the members of the Local Union Executive Board shall be filed with the Secretary Treasurer of the Joint Council for trial by the Joint Council Executive Board. In no event shall any involved officer or member serve on a hearing panel, participate in the selection of a substitute member of a hearing panel, or participate in the decision making process of the trial body.

(2) **Charges.** Charges shall be in writing and signed by those filing same and must be filed in duplicate with the Local Union Secretary Treasurer of the body which is to hear the charges, who shall serve the charges and notice of the hearing upon the accused either in person or by registered or certified mail at least ten (10) days prior to the hearing. No hearing on any appeal shall be held less than ten (10) days from the date on which notice of the hearing has been served on the parties unless all parties agree to waive this requirement. In scheduling the time and place of the hearing, due consideration shall be given to the convenience of the accused and witnesses necessary in the case. The charges must set forth the provisions of the International Constitution or these Bylaws allegedly violated and the acts which allegedly constitute such violation in sufficient detail to inform the accused of the offense charged, including, where possible, dates and places. If charges are filed, the charging party must include in the charges all alleged offenses of which they have knowledge, or in the exercise of due diligence should have knowledge, as of the time of the filing of the charges. He may not subsequently file additional charges based upon facts of which he had knowledge, or in the exercise of due diligence should have had knowledge, as of the time of the filing of the charges. Any charge based upon alleged misconduct which occurred more than five (5) years prior to the filing of such charges is barred and shall be rejected by the Secretary Treasurer except charges based upon the non-payment of dues, assessments and other financial obligations, including fiduciary responsibility. No member or officer shall be required to stand trial on charges involving the same set of facts as to which they are facing criminal or civil trial until their final court appeal has been concluded. Nor shall a member or officer be required to stand trial on charges that are substantially the same as arise under the same circumstances as prior internal Union charges against such member or officer. Charges may be preferred against a suspended member or an inactive member who has been issued a withdrawal card.

(3) In the event of non-compliance with the decision handed down by a trial or appellate body, the member, elected Business Agent, officer or Local Union shall stand suspended from rights and privileges under the International Constitution until the provisions of the decision have been complied with, unless the General President has waived payment of a fine or stayed the effectiveness of the decision pending appeal. If, however, the decision carries with it an order of expulsion, then such order of expulsion shall immediately take effect, unless the General President has stayed the effectiveness of the decision pending appeal.

(4) **Rights of the Accused.** Throughout the proceeding, there shall be a presumption of innocence in favor of the accused. In order to be sustained, the charges must be supported by a preponderance of clear and convincing evidence and a majority of the members of the panel must vote to find the charged party guilty. The accused shall have the right to present their own evidence, rebut testimony against them, present witnesses favorable to them and cross-examine adverse witnesses. The charging party, the accused and the Local Union Executive Board may select only a member in good standing of the Local Union to represent them at a hearing conducted before any trial or appellate body. Witnesses need not be members of the Union. The hearings shall be open to other members, subject to the discretion of the Local Union Executive Board in maintaining order and in excluding witnesses except when testifying.

(5) Action by the Local Union Executive Board. A summary of the testimony and evidence introduced at the hearing shall be made and a copy of such summary shall be furnished to the accused. The Local Union Executive Board shall have the authority to determine the manner of reporting the hearings and shall have the authority to exclude any method not authorized by it. Any request by a party that a verbatim record be made must be honored by the Executive Board.

If on appeal any appellate body makes a transcript or recording of the proceedings on appeal, such appellate body shall furnish a copy of the same to the accused and to other interested parties upon payment of the cost for same, or shall make such copy available to any party for copying or consultation without cost. Within a reasonable time after completion of the hearing the Local Union Executive Board shall decide the case. The decision of the Local Union Executive Board shall be in writing and contain the charges, its own factual findings and decision, and a notice to the parties informing them of the proper body to which they may appeal, and the time within which the appeal must be filed. A copy of the decision of the Local Union Executive Board must be forwarded to the parties without delay. A copy of all documents in the proceedings shall be kept available at the Local Union's principal office until final disposition is made of the case.

(6) Appeals. Appeals shall be taken pursuant to the provisions of Article XIX of the International Constitution.

Section 22 BONDING

(A) Every officer, agent, shop steward, employee or other representative of this local Union who handles funds or other property of this organization shall be bonded in accordance with the requirements of the International Constitution and applicable statute. The amount of bond required of each person shall be ascertained by the Local Union Executive Board, and the premium charges shall be paid out of the general funds of the Local Union.

(B) If the Local Union Executive Board, in its sole judgment, believes that it would be to the advantage of this organization to join with the International and /or any or all of its subordinate bodies or affiliated Local Unions in obtaining a bond or bonds covering persons in this Local Union and such other organizations under a bond or bonds issued to said International Union or other subordinate body, then, in such event the Local Union Executive Board is authorized and empowered to enter into such arrangements and pay from the general funds of this Local Union the cost for bonding these persons in this Local Union, but such surety coverage shall conform to the requirements set forth in Section 22 (A).

(C) Should the bond of any person required to be bonded be canceled after surety coverage has been afforded, then such person shall be allowed thirty (30) days within which to arrange either for reinstatement of their coverage or the substitution of another bond meeting the requirements of Section 22(A) to take the place of the canceled bond. However, during the period such person or a new officer is not covered by such surety bond, the Local Union Executive Board shall make whatever arrangements shall be necessary to relieve such person of the handling of any money or property of the Local Union.

(D) If an employee or officer referred to in Section 22(C) cannot within thirty (30) days provide the surety bond required in conformity with provisions of Section 22(A), the Local Union Executive Board shall be authorized and empowered to permit them to remain in their office or position under such arrangements as it may consider reasonable, but shall not require to permit them to handle any of the money or control any of the property of the Local Union.

INTERNATIONAL CONSTITUTION

Local Union acknowledges that the Constitution of the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America supersedes any provisions of these Bylaws herewith or hereinafter adopted which may be inconsistent with such Constitution. The Local Union hereby readopts, as its Constitution, such International Constitution, and incorporates herein by reference, as though fully set forth herein, all such provisions of such constitution, as it may be interpreted, modified, or amended from time to time, which are applicable to Local Union matters and affairs, and shall perform all duties imposed upon a Local Union by such Constitution.

These Bylaws are subject to the Constitution and Bylaws of the International Brotherhood of Teamsters and applicable Conference and Joint Council Bylaws.

Neither this Local Union, nor any of its officers, business representatives or employees, has the power to make any contract or agreement or to incur any liability which shall be binding upon the International Union or any of its affiliates other than this Local Union unless the written consent of the governing body or executive officer thereof has first been obtained authorizing such action. Neither this Local Union nor any of its officers, representatives or employees has been authorized or empowered to act as an agent of the International Union or any of its affiliated bodies and shall not be deemed an agent for any such body unless expressly authorized in writing by the governing body of such body to act in that capacity. No agreement or contract shall be binding upon this Local Union unless executed and delivered by its duly authorized officers, and contract or agreement for personal services shall not be binding beyond the expiration of the term of the Executive Board at the time such contract or agreement is made. This shall not prevent a Local Union Executive Board from entering into a bonafide collective bargaining agreement with another union covering Local Union employees.

Section 26

LOCAL UNION PROPERTY

No property of the Local Union, and no property in the possession, custody or control of this Local Union or any of its officers, representatives or employees and no property held in trust by any trustee for and in behalf of this Local Union, express or implied, which was created or established by this Local Union itself, or the members of the Local Union or their beneficiaries, shall be given, contributed, donated or appropriated, either directly or indirectly, to aid or assist or be expended in behalf of any seceding, dual or antagonistic labor organization or group, nor to any Local Union which is acting in violation of the Constitution of the International.

Section 27

NEGOTIATIONS, RATIFICATION OF AGREEMENTS, STRIKES AND LOCKOUTS

(A) Whenever a collective bargaining agreement is about to be negotiated, modified or extended at the request of this Local Union, the principal executive officer shall call a meeting at which the membership shall determine and authorize the bargaining demands to be made. The Local Union Executive Board shall determine whether such meeting shall be limited to the members in a particular division, craft or place of employment. Where this Local Union is a participant in an area-wide agreement, it is understood that the bargaining demands of this Local Union may be accepted, modified or rejected by the overall negotiating committee in accordance with such rules and procedures as may be adopted by the area-wide, conference-wide or national bargaining group.

(B) Proposed collective bargaining agreements or amendments shall be submitted by the Secretary Treasurer to the Joint Council and Area Conference, as required by the Eastern Conference Bylaws, for approval before submission to the employer.

(C) Ratification of agreements or amendments shall be subject to vote in the same manner as provided for in connection with bargaining demands as set forth in Section 27(A), or in the case of area-wide, conference-wide or national agreements in accordance with the Constitution and rules adopted by such bargaining group, except that where the General Executive Board has directed the Local Union to refrain from executing such agreement, no proposed agreement shall be considered ratified by any vote until and unless it is specifically approved by the General Executive Board. Where a final contract proposal has been reduced to writing at the time it is to be submitted for vote, copies of the written proposal shall be made available to the affected membership. True copies of final agreements arrived at by the Local Union shall be filed by the Secretary Treasurer with the Research Departments of the International Union and of the Area Conference within sixty (60) days after execution, together with a list of the names and locations of employers and number of employees covered by such agreements. The Secretary Treasurer shall, as of January first of each year submit to the Research Departments of the International Union and the Area Conference a list of agreements in effect, showing the name of the employer or employers, parties thereto, location or locations, and the expiration date.

(D) If a settlement cannot be reached in connection with the negotiation or modification of a collective bargaining agreement between the members of this Local Union and an employer after the officers have used reasonable means of achieving a settlement through the process of collective bargaining, the matter shall be subject to the strike procedure, condition and qualifications set forth in the Constitution. The Local Union Executive Board may, in its discretion, provide that the strike vote be limited to the members employed in a particular division, craft or place of employment. In such cases where area-wide, conference-wide or national agreements are involved, it is understood that the specified majorities of members covered by such agreements must vote to strike as set forth in Article XII, Sections 1 or 2 of the Constitution, and in such event, such strike vote shall apply to this Local Union, irrespective of the individual vote of this Local Union on that question.

(E) Strike vote shall not be required in any case where a collective bargaining agreement then in existence authorized such strike for the purpose of enforcing the terms of such agreement. Nor shall a strike vote be required for a strike in support of demands that an employer agree to the terms and conditions of an agreement already negotiated on a state, multi-state, multi-area or national, company-wide or area basis. In either case the Local Union Executive Board, subject to the approval of the General President, may call the strike in support of its position, and may also, with the approval of the General President, terminate such strike.

(F) At least forty-eight (48) hours prior to a strike, and in the case of picketing, lawsuit or other serious difficulty, the Secretary Treasurer shall immediately notify the Joint Council of which it is a member of any contemplated action, as required by the Constitution.

(G) Out-of-work benefits shall be payable to members only as provided by in accordance with the Constitution. The Secretary Treasurer shall be responsible for securing of such benefits where the Local Union is eligible to receive them, executing all documents required by the International and returning all monies to the International Union remaining unused by the Local Union at the close of the strike or lockout.

(H) Strikes which are not terminated by the conclusion of a collective bargaining agreement or by arbitration or otherwise may be terminated in such manner as the Local Union Executive Board shall determine appropriate.

Section 28 SAVING CLAUSES

(A) The provisions of these Bylaws relating to the payment of dues, assessments, fines or penalties, etc., shall not be construed as incorporating into any Union security contract those requirements for good standing membership which may be in violation of applicable law, nor shall they be construed as requiring any employer to violate any applicable law. However, all such financial obligations imposed by or under the International Constitution and these Local Union Bylaws (and in conformity therewith) shall be legal obligations of the members upon whom imposed and enforceable in a court of law.

(B) If any provision of these Bylaws shall be declared invalid or inoperative, by any competent authority of the executive, judicial, or administrative branch of federal or state government, the Local Union Executive Board shall have the authority to suspend the operation of such provision during the period of its invalidity and to substitute in its place a steady provision which will meet the objections to its validity and which will be in accord with the intent and purpose of the invalid provision. If any section or subsection of these Bylaws should be held invalid by operation of law or by any tribunal of competent jurisdiction, the remainder of these Bylaws or the application of such section or subsection to persons or circumstances other than those to which it has been held invalid, shall not be affected thereby.

(C) Where used in these bylaws, words in the masculine also shall read and construed as in the feminine in all cases where such construction would so apply.

Section 29 AMENDMENTS

(A) Proposed amendments to the Bylaws shall be submitted in writing at a regular meeting of the Local Union only in January of each year upon initiation either by petition of seven (7) members in good standing, or by resolution of the Local Union Executive Board. Under no circumstances may these Bylaws be amended during a term of office to affect or modify powers and duties of the incumbent officers or elected business agents. Such amendments may be made effective only as of the beginning of the next term of office.

(B) The proposed amendments shall then be read at two (2) consecutive regular meetings of the membership or at two (2) consecutive division, craft, or place of employment or similar meetings (if the Local Union Executive Board has determined that the membership meetings be conducted on such basis), and voted upon at the third meeting or meetings. A two-thirds (2/3) vote of the members in good standing voting at such meeting shall be required for passage.

(C) Amendments to these Bylaws are subject to approval of the General President, as provided in Article VI, Section 4 of the International Constitution and shall not be effective until such approval has been given.

(D) Nothing contained in Section 29 of these Bylaws shall preclude the Local Union Executive Board in the exercise of its discretion, from directing that a membership vote be conducted by mail referendum after appropriate notice and with safeguards to ensure the integrity of the balloting.
